My ex is Dutch Netherlands Antilles so that's also very different from general European culture.

I can well imagine Dana....

11:52:10 From Patricia Cleveland to Everyone:

What happens when they say their "culture" doesn't accept equality? That their religion more closely resembles the power and control wheel

12:00:31 From Loes Tam to Everyone:

A very helpful list!!

Opening up to the group may be frightening for her... for she will then have to deal with what has happened to her after she has shared some things perhaps for the first time...

12:31:07 From Loes Tam to Everyone:

In the case of a faith setting perhaps prayer can be offered which may be helpful for these women

12:35:55 From Kathy Moyer to Everyone:

It gives her freedom

12:54:47 From Loes Tam to Everyone:

Sadly when women turn to their pastors for support the responsibility

for change in the abusive behaviour of their husbands is put on their shoulders when they are told they need to submit more, pray more etc etc for that will bring the change they are looking for at least according to their pastors..

12:55:01 From Liz Loeschner to Everyone:

Wow, sounds terrifying

12:57:17 From Loes Tam to Everyone:

Sadly in church settings often the teaching is that men need respect... women need love...but apparently they do not need respect...

12:58:34 From Kathy to Everyone:

AND....by doing so you served him! You helped him by using your gifts. :)

13:00:18 From Liz Loeschner to Everyone:

I really like the basics rights handout

13:00:26 From Kathy to Everyone:

Love ALL your visuals! :)

13:02:35 From Loes Tam to Everyone:

Great list...all these rights... but can be difficult for women of faith having been taught to deny themselves etc etc... need a more wholesome Bible teaching to correct their understanding....

13:17:33 From Patricia Cleveland to Everyone:

Could you add Control Log and Anger Journal
