12:22:48 From Trisha Von Lanken : **Divorce Specific Podcasts Book and ebook on Finding Money In Divorce** <https://www.workmanforensics.com/find-money-in-divorce>

12:23:37 From Brooke Eggen : **Leah Wietholter, Find Money in Divorce: Get Organized in Your Divorce:** [https://www.amazon.com/Find-Money-Divorce-Organized-Your/dp/B086Y6JGKR/ref=sr\\_1\\_1?crid=2300ZOSMI7S77&keywords=find+money+in+divorce&qid=1661616253&s=books&sprefix=find+money+in+divorc%2Cstripbooks%2C306&sr=1-1](https://www.amazon.com/Find-Money-Divorce-Organized-Your/dp/B086Y6JGKR/ref=sr_1_1?crid=2300ZOSMI7S77&keywords=find+money+in+divorce&qid=1661616253&s=books&sprefix=find+money+in+divorc%2Cstripbooks%2C306&sr=1-1)

12:27:31 From Christi Douglas : In Northern Colorado, hiring a forensic accountant requires a \$2,500 retainer. \$250/hour and the most common amount of time for them to determine a fair division of assets is 10 hours, but it can vary and be more or less.

12:28:50 From iPhoneTina Lawson : Would it matter if the spouse was cheating & spending the marital \$ on her?

12:31:06 From Brooke Eggen : Youtube Channel: <https://www.youtube.com/c/WorkmanForensics/videos>

12:32:07 From Dr. Debra : What is a QRDO?

12:32:48 From Kathy : <https://www.workmanforensics.com/find-money-in-divorce>

12:33:16 From Jenelle : Thank you

12:33:52 From Pam : I have s client that has been told by her lawyer she needs a forensic accountant but she has no resources for that. Her husband is part of a multimillion dollar family company, but 3 years after filing she still has received no support. Any ideas for her? She is on SSDI and that is her entire income.

12:34:10 From Kathy : **Qualified Domestic Relations Order (QDRO) Another great term and abbreviation to know.**

12:35:56 From Londa Pennsylvania : What advice do I give to a woman whose husband had recently opened his own checking account, and moved the auto deposit pay there and left only \$100 in joint account. He deposits only enough to pay for auto deduct bills. No gas or grocery money. The wife is stay-at-home and cares for ailing parent. Is his pay only his money in this case?

12:37:09 From Dr. Debra : How do I help survivors find a Forensic Accountant in her area?

12:37:37 From iPhoneTina Lawson : Something good to know is that if you have an Inheritance & it's put in a joint account, then it does become a joint marital asset.

12:39:31 From Christi Douglas : [You can find accountants/financial planners \(possibly forensic\) through Second Saturday divorce workshops](#)

Anonymous: What recourse does a woman have in an abusive relationship when there is no marriage but has been financial coercion (extortion) of her total retirement (emergency) income?

12:42:38 From iPhoneTina Lawson : Is filing for divorce the only way to protect yourself financially?

12:43:33 From Kathy : <https://www.secondsaturday.com/>

12:44:06 From Kathy : Some are back to meeting in person, some are still via Zoom, just look for your specific area to find out more details.

12:44:12 From iPhoneTina Lawson : Not in Pa.

12:45:27 From Anonymous: Thank you. Someone should tell corporations that dating apps are not a solution to paying low wages and temporary non committal exploitive intentions in relationships.

12:46:04 From Kathy : Important Note: The person who controls the money in a marriage...will continue to be the person who controls the money. Spot on!

12:46:47 From iPhoneTina Lawson : Good Advice

12:47:41 From Teresa : I'm not sure how many jobs provide that kind of upfront pay for women whose experience has been devoted to her relationship.

12:49:47 From Kathy : Another way post separation abuse is very real for many ladies!  
<https://www.onemomsbattle.com/post-separation-abuse>

12:50:02 From Keri Drowatzky : Out of curiosity, and this happened to my mom when she divorced my dad yrs ago. The attorney told her she could collect half of his Social Security. Also, when their house sold she could have collected his half of the sale. They are dead now. This is a curious question.

12:50:36 From Patricia : OR they threaten not to send checks as a mean of coercive control. Hmmm???

12:51:01 From Keri Drowatzky : She was working at the time. And she could have collected half of his retirement. She never did these things.

12:51:39 From Teresa : A spouse qualifies for more social security of the higher income spouse if they have been married 10+ years. It does not affect the other spouses social security.

12:52:06 From iPhoneTina Lawson : I believe in some states she can apply for spousal support after separating...then she will need to earn 40 hrs a wk. @ minimum wage.

12:52:36 From DeniseS : Yes, you are correct, Brooke. My attorney is doing this now

12:52:39 From Patricia : Yes Brooke

12:52:46 From Kathy : That may vary state to state.

12:53:21 From Keri Drowatzky : this was in Kansas. I can't I am at work.

12:53:24 From Barbie : you have to make sure they paid into SS. if they work for a government they probably don't pay SS

12:53:37 From Teresa : Social security is federal. It does not vary state to state.

12:54:33 From sharon : I was able to be paid from my living husbands Soc Sec at age 62 we were divorced. His was higher than mine.

12:55:09 From Patricia : It is your SS subtracted from half of his, according to the SS employer I spoke with in PA. I am divorced,. I am working. Having someone in from SS would be great.

12:55:36 From Barbie : I think they have to be retired before you can file on their account

12:57:19 From iPhoneTina Lawson : Was just wondering that for myself (as I only worked under the table) in our 38 yr marriage....SS expert would be helpful.

12:57:21 From Kathy : A lifestyle analysis is an analysis of each party's sources of income and expenses. It is used in the divorce process to demonstrate the standard of living during the marriage and to determine the living expenses and spending habits of each spouse.

12:57:40 From Christina Hoffman : A different type of landscaping!

12:57:57 From sharon : Yes it was somehow subtracted from mine. I get two checks part is from mine and part is from his. It's not much. 586 from his 300ish from mine.

12:58:36 From Deborah Stahl Waters : Having a Soc Security Rep to speak would a very helpful. Sadly, whenever I've called into Soc Sec re: preparing for divorce or legal sep... I've been conflicting answers.

12:59:05 From joelmakosciuszko to Dr. Debra(Direct Message) : I went to the Bank the other day and I was told that my name is still on a previous joint savings account with my ex husband. Any reason why he wants to do that? I am concerned.

12:59:27 From Susan Sanford : In my state if it is in someone's name other than his then he can argue it isn't his asset and also you are not going to get at this information regardless of how or where you search under his name because it isn't under his name.

12:59:37 From Jenelle : Social Security is skilled at giving conflicting information. When you made decisions off their wrong information you are penalized.

12:59:56 From Susan Sanford : If he owns his own business you are not necessarily getting pay stubs that show all his income you are just getting that dollar amount put into his pay stub that he want to process this way

13:00:07 From Patricia : Thank you Leah!!!

13:00:15 From sharon : So true finding the person who takes the time and cares is so important. My sister was able to jump through some hoops and landed talking with someone who was very helpful. Take their name and way to contact if you find one.

13:00:15 From Ariella : Thank you!!!

13:00:15 From Brooke Eggen : Thank you so much!!

13:00:16 From Christi Douglas : Thanks, Leah!

13:00:18 From Lynns : Thank you Leah!

13:00:20 From Kathy : Thank you so much for taking your time to share your wisdom with us!

13:00:20 From Keri Drowatzky : good info to pass along. thx

13:00:24 From sharon : Thank you

13:00:27 From owner : Thank you Leah!

13:00:27 From Christina Hoffman : Thank you!

13:00:31 From joelmakosciuszko : Thank you!

13:00:38 From sharon : This was great.

13:00:43 From Deborah Stahl Waters : Thank You so much. Helpful today :)

13:00:57 From sharon : Oh boy family court
