08:44:44 From Nancy Gustafson To All Panelists:

How does one heal from sexual brokenness if one does not meet another with whom we want to share such things? How can we even look for someone to share such things if one is completely broken? And it requires marriage to test the healing. And sometimes I just want to pound on God's chest as I am angry at him about how broken I am and how I was used! I do not need to be told that God designed sex to be good. I have always believed this.

08:50:15 From Porscha Green To All Panelists:

This is so well-explained and I can't wait for the book to come out. THANK YOU SO MUCH. It's so important for everyone to understand the goodness of God's intentions for us concerning our sexuality.

08:56:38 From Bethany Harman To All Panelists:

I always had the opinion IF it was a sin, I'd rather sin by myself rather than sin with someone else by having a one night stand. I don't believe its a sin just to be clear as long as your not putting that desire above God

08:57:33 From Ingrid May To All Panelists:

Thank you Tabi!!! We need to talk. I have a client struggling with this right now and I am so thankful you are not afraid to talk about this
