12:00:53 From Chief : We, gma/gpa, were forced to be interviewed and psych tested along with our daughter as they were under our roof at that time. We became a target and were put in incredibly negative life, even that in the final summary we were referred to as the cause of all of the entire issue. The abuser even paid big \$\$ to have the psych eval/custody evaluator appear and testify at a court hearing, it was brutal.

After the fact checks on reviews of this evaluator suggests that this was his typical mode of operation and there are many who are trying to file a lawsuit to sue the evaluator for bias and destructive advice in many, many instances.

13:01:30 From Jessica Evans : Replying to "DR. DEBRA, WILL YOU ..."

We advocates and survivors don't want to be the ones using the term "alienation." Abusers have taken this term and use it against the safe parent and it really can harm her in terms of custody and parenting time if they believe she is alienating. This term is used by the father's rights movement and it is not based on any sort of solid research. It is "junk science" as Dr. Debra says.

13:08:40 From Amy : Question: Dr. Debra, did you say some of these laws/reports can be anonymously sent to judges? If so, how would I go about getting this information to the court where my case is happening.

13:09:07 From Amy : Question: what info packets do you recommend be sent to judges anonymously?

13:09:42 From Jessica Evans : Replying to "Question: what info ..."

This was the packets from one mom's battle, but someone has shared above that these are not available to send to judges any more and Brooke has also shared this is not recommended by CTP.

13:10:06 From rose : SHAKING MY HEAD how after he committed suicide the mother cannot care for her child....horrific!

(Psalm 4:1).

13:10:38 From Amy : Replying to "Question: what info ..."

Okay, so if I understand correctly, the recommendation is to NOT send anything anonymously to judges?

13:10:51 From Kendra : Lord, You know the hopes of the helpless. Surely You will listen to their cries and comfort them. You

will bring justice to the orphans and the oppressed, so people can no longer terrify them (Psalm 10:17-18).

Be aware of what you are sending to determine if you are comfortable with the message.

13:11:36 From Kendra : O Lord, hear my plea for justice, listen to my cry for help. Pay attention to my prayer, for it comes

liars (Psalm 43:1).

13:12:16 From Shonquella (BeSHE) : Amen

13:12:29 From Kendra : You will restore me to even greater honor and comfort me once again (Psalm 71:21).
