12:49:41 From iPhoneTina Lawson : Question 🙄 Do I understand you to say there's 2 separate FB groups for Advocates

And

Is there a support group for CTP Advocates 1x a month?

12:49:54 From Melanie Haymond : Replying to "Attention : I need y..."

Yes. He has responded to questions I've had before and been very helpful.

12:49:56 From Beth Burke : [QUESTION One of the things I have been doing today is making a list of people who helped me but really have no connection with anything like this, just a heart for what I was going through. Do you have an Intro document that I could email to these people \(who are all over the country AND in Africa\) and share that I think they would be blessed to have this information. Many of them would make great advocates I think. <https://www.youtube.com/watch?v=6-Y7lk5MDY8> ; <https://www.youtube.com/watch?v=XM4kqv7lxhs> On December 13, 2023 at noon EST, Joy and I will be talking about the Advocacy Training Program on a Facebook Live.](#)

12:50:19 From Jessica Evans : When we say "if unaffiliated" under monthly Q&A or FB advocacy network group, what we mean by that is that if you are not affiliated but you have a question, you can use these places. That being said, if you are affiliated, it's not that you are NOT welcome in those places. Hope that makes sense.
